Page 18, Section 1.15 Division of Health Care Financing Programs

The data table below the first paragraph is removed in whole and replaced with the following:

Fee-for-Service Recipient Cost and Utilization Summary*

	2006Q1	2006Q1	2006Q1
Program	Recipients	Prescriptions	Paid
Medicaid	180,708	1,060,189	\$63,601,695
SeniorCare	85,427	1,099,898	\$36,138,118
SeniorCare and MA	610	**	**
Chronic Disease Prog.	580	3,741	\$687,229
Total	267,325	2,163,828	\$100,427,042

* Dispensing fees plus ingredient cost at MAC or AWP minus 13% (AWP-13%+5% for SeniorCare), not including recipient cost sharing. These amounts are post-Medicaid Part D.

** 610 recipients non-concurrently had Medicaid and SeniorCare during 2006Q1. These 610 recipients accounted for 11,229 total prescriptions (5,486 SeniorCare plus 5,743 Medicaid) and \$431,620 total paid (\$187,588 SeniorCare plus \$244,032 Medicaid). The prescriptions and paid amounts for these 610 recipients have been allocated to the Medicaid and SeniorCare rows of this table.
